LOYALTY

The following Greeting and Farewell, with its now infinitely pathetic heading, was written by Dr. Heckert a few weeks before his death, as a message to former Wittenbergers, introducing the new President.

It is here reprinted, as a final word from the man whose affection for his students will always remain large in their memories and whose love for his Wittenberg was supreme even to the meeting of the great test.

"Greater love hath no man than this, that he lay down his life."

Accompanying it, on the opposite page, is the introductory message of the new President.

THE KING IS DEAD; LONG LIVE THE KING!

This not a cheerful beginning to come from the one who is closing his life program. Yet believe me, dear former Wittenbergers, it has its full measure of satisfaction.

After well on to eighteen years of administration, including a rather doleful start and, toward the end, the difficult days of the Great World War, I suddenly awoke to the surprising fact that my active career was about ended. Was I shocked? No, not exactly—only mildly startled.

I began promptly to look for a successor to do in the future all I have ever dreamed of doing for my beloved Alma Mater—and more. The way providentially was open, the man of my heart in plain view, and with a unanimity and enthusiasm that was evidence of God's part in the choice, the Rev. Rees Edgar Tulloss, Ph.D., of Mansfield, Ohio, was called to this magnificent service.

He is now in Springfield, at work. I beg the honor of introducing him to those of you who are not yet familiar with his smiling, forceful face. The King lives, and long may he live, for Wittenberg and her greater glory; for the church of his affection; and for the greater educational value of this school to Ohio and to the world. We have a great school. But it has only started on its career if you are as responsive to the new President as you were to the one who now signs himself,

Your friend

The President Emeritus,

November 1, 1920 CHARLES GIRVEN HECKERT

TO ALL WITTENBERGERS

We have all been saddened beyond words by the death of Dr. Heckert. It was our hope that freedom from the burdens of administration might bring his speedy and lasting improvement. We wanted him for many years to come, as President Emeritus, to serve the college to which, as teacher and President, for nearly thirty years he had so devotedly given his wisdom, his energies, and his very life-strength.

In the midst of his continuing work for Wittenberg, during the very week of the triumphant completion for the Springfield Appeal, he was stricken. Wittenberg has lost a great leader. Thousands of Wittenbergers have lost him who deserved to be called one of their best friends. We are thankful for his life of great service. In the midst of our grief, we rejoice that he was permitted to live to see at least the dawn of the new day for the college he loved.

And now we must look toward the future. Alike by a glorious past, and by a challenging present, Wittenberg is truly being called to a high service. She faces today a shining opportunity. Her possibilities of service are being multiplied beyond our expectations.

The present situation, full indeed of glowing promise, is at the moment marked by many difficulties. Demands are being made upon our school today which would have appalled the hearts of her founders. In view of their sacrifices, for us to refuse response to these insistent demands would be a tragic and traitorous failure. But surely the loyalty of alumni and friends will enable our Wittenberg to meet her new responsibilities. If so, she will enter almost at once into a new and splendid era. Her future will far outshine her glorious past. It is for us who are the living children of Wittenberg to determine in large part how fully these things shall come about. These months are bringing us many opportunities of service. Let us meet them all with a glad readiness for the sake of our beloved Alma Mater.

Cordially yours,

December 31, 1920. REES EDGAR TULLOSS, '06, President

HISTORY

Wittenberg College was founded in 1845 by the Rev. Ezra Keller. The first step which led to this founding was the resolution adopted at the meeting of the English Synod in the fall of 1842. After deciding upon Springfield as the site, a charter was granted on March 11, 1845.

Rev. Ezra Keller was elected the first President, and classes were opened November 2, 1845; the first enrollment resulting in seventy-five students. It is now 981 plus. The College has proportionately increased in land and endowment. The campus has increased from seventeen acres to forty-five. Her endowment has run from a thousand, into more than a million. Material aid is promised by the Rockefeller Foundation.

The buildings have been increased from one, the "Old Dorm," by a Recitation Hall in 1883, a Science Hall for which Andrew Carnegie stood one half the cost, a Library given by the Zimmerman family, a girl's dormitory, and a Divinity School of three buildings, one of which was made possible by the gifts of Dr. Hamma and wife, Rev. Chas. Stroud and Mrs. Elizabeth Harter. In 1921, C. F. McGilvray of Springfield announced the gift of Wittenberg of a new institute and gymnasium. Ex-governor Cox has promised us a chapel and a "Friend" has donated a separate Academy Building. In all, an Appeal for $1,500,000 has been met successfully.

The Administration, now, is under the direction of Rev. Rees E. Tulloss, President; C. G. Shatzer, Dean of Arts College and David H. Bauslin, Dean of the Seminary.

WITTENBERG—A School with an IDEAL

Historically, Wittenberg is one of the older Ohio Colleges. It was founded in 1845, and has been in operation continuously for over seventy-five years.

Wittenberg is not a large school. It is not proposed that it shall ever become such. Its ideal is that it shall be a great school.

Acting upon this principle, Wittenberg has stood strongly for three basic elements in education.

That principle is this: The true basis of education is the direct contact of a learner's mind with the trained, [illegible] mind of a teacher.

Acting upon this principle, Wittenberg has stood strongly for three basic elements in its educational program: **1—A Strong Faculty. 2—Personal Interest in Every Student. 3—Individual Instruction.**

Upon that basis, Wittenberg has built a reputation for scholarship, a reputation for developing the best capabilities of its students, a reputation for turning out graduates who make good.

CLASS HISTORY

On September 11, 1917, ninety-one boys and girls from all parts of the United States met to form what was then known as the 1917 Freshman class and is now known as the 1921 Senior class. Thirty-two of the original ninety-one will receive their degrees on June 8, 1921.

The history of this class has been one of excitement and thrills. In our Freshman year the boys suffered defeat in the tug of war, but that did not dampen our spirits.

During the war most of the boys served in the S. A. T. C. or in the regular service, while most of the girls did war work at the College. Thirty-five members of the Senior class served in the various branches of the military service.

The greatest events for us, as Juniors, were the publishing of the Diamond Jubilee Wittenberger, the May Fete and the class play. The queen and her attendants for the May Fete were chosen from the Junior Class. The play, "Excuse Me" was given at the Springfield High School auditorium and was a financial success.

Our Senior year has been one of pleasure with some sadness. The first part of the year was broken up by the intensive campaigning for Wittenberg's Endowment Fund, in which some of the men and women took an active part. Before the endowment campaign was launched, a pageant was given, which portrayed Wittenberg College from the first administration to the present one. The lines of the pageant were written by Georgia McPherson, a Senior, to whom much praise and honor have come.

Just a few days before the Endowment campaign had come to a very successful close, our President Emeritus Charles G. Heckert passed away. We were the class who had known him the longest time, and it was the taking of one whom we loved and one who loved us. We know that he had given his life for us.

Our men and women have taken part in many phases of college activities, for instance in glee club work, Torch work and in athletics. What College and Class furnished the captains for the All-Ohio basketball and Football teams? The Senior class of Wittenberg College of course. What class of Wittenberg had the largest representation on the All-Ohio teams? The Senior class of course.

On May 6, we presented a class play, "A Full House" at the Fairbank's Theatre. The proceeds from the play went to purchase a memorial for the College.

Each year a class history has been written for this class, and now at the end of this article is FINIS. Yes, for the end of the Senior class history and for the end of our college days.

On September 7th, 1918, there came to Wittenberg a flock of young and exceedingly verdant creatures for the sole purpose of increasing their mental capacity.

No sooner had our boys enrolled in their classes and were beginning to feel some degree of comfort in the presence of those "ever to be feared" professors, when the S. A. T. C. came along, undoing all plans and arrangements for a successful year in classroom work.

Our boys responded nobly and seventy of them became members of the Reserve Army, known as the S. A. T. C. Such circumstances as prevailed within that military organization made it quite impossible for the members of this class, numbering in all 126, to become acquainted.

At last, however, the class became organized in January, 1919, and was dubbed as the Class of '22, a class never before excelled in intellect and possibilities—but we whisper—a class which often failed to display them.

Our first president, Wilbur Dorst, safely and courageously guided the class thru the difficult year of '19. The annual tug-of-war was not carried out in '19, due to the fact that the class of '21 challenged by the class of '22 did not set a date for the event. Consequently, we were not given a chance to pull them thru the water. However, in September, 1919, we accepted the challenge of the class of '23 and our boys were given an opportunity to see for themselves how it felt to be pulled thru the waters of Snyder Park.

The class as a whole has always engaged in college activities, and never failed to be boosters for Wittenberg. Our men have shown unexcelled interest in athletics and several of them have won honorable mention because of their fine quality of playing on the football and basketball teams.

The musical talent of this class was noticed in our freshman year in that three of the members of the All-Ohio-Six Jazz Band were claimed by us, as well as three members of the Girls' Jazz Band.

Our Sophomore officers were: Robert Stanbarger, President; Edgar Curtis, Vice President; Doris Nelson, Secretary; James Miller, Treasurer and Ralph Cass, Sergeant-at-Arms.

Our latest achievement is the 1921 "Wittenberger." We also hope to undertake a Junior Prom before the end of the present collegiate year.

The Class of '22 presented this year the comedy entitled "Her Gloves." The play was delivered in fine style and was well received.

SOPHOMORES — CLASS OF 1923

OFFICERS

MACK HUMMON	President
WALLACE HORN	Vice President
RACHEL MARKLEY	Secretary
RALPH LOHRMAN	Treasurer
EMRIE YOHE	Sergeant-at-Arms

Starting out in September of 1919 with ninety-six students, we have endeavored to live up to the established records of former classes in Wittenberg's activities.

Our first effort was in the tug-of-war with the class of '22. We feel that we scored two points in that sanguinary battle, inasmuch as we kept "Wib" Dorst, the sophomore president, from the scene of conflict until it was too late for him to help prevent his men from being dragged thru the icy waters. (Incidentally, he was "laid up" for a week.)

Our interest has gone out to all fields of activities. We were represented on that "Wonder Football Team" thru Farmer, Hummon, Repp, Gelwicks, Heberling and Heistand. On the basketball squad we claimed Heberling, Hummon, Horn and Repp. Elmer Knisley was director of the Glee Club, and we had Gelwicks, Horn, Harter and Raup as members of the Club. Erwin Spees, also a member of our class, was Vice-President of the Y. M. C. A. this year.

FRESHMEN — CLASS OF 1924

OFFICERS

DON SWITZER	President
LUCILLE NETTS	Vice President
ELIZABETH REIGEL	Secretary
JOE JUERGENS	Treasurer

We cannot help but feel that the great scope of Wittenberg's activities during the past year, were it not for the present Freshman class would doubtless have been impossible. We are willing to give the upper classes credit for the football championship, even if the Freshman squad did whip varsity into shape. We have only to point to the candidates for the Spring-football team to get our men into the "limelight."

Our brawny, muscular boys pulled the Sophomores thru the lake at Snyder Park according to schedule, but were denied the privilege of a "fist-fight" the day before the tug-of-war by an order of our "Prexy."

The word "Cut" denotes our favorite but most dangerous pastime; and the "Cut" below shows our favorite lounging place—

WITTENBERG ACADEMY

Organized as a preparatory department for the college, Wittenberg Academy broke loose several years ago and developed into a separate school with a faculty of its own. It has increased from a small prep school, to an enrollment of more than one hundred with six instructors. More than that, a separate Academy building has been promised to the College. This is in line with Wittenberg's expansion program and was given by "a friend."

There are several factors that give Wittenberg Academy a good rating as a "prep" school. It serves for ambitious students who are above high school age and yet feel at home in the College environment. Again, there are many young men who use the Academy as a prep school for the ministry. There are some students whose parents wish more attention for them, than the crowded High Schools and it makes the course for graduation in three years, saving one from the regular system.

The Faculty is selected with care and given secure tenure in order that the high aims of education may be realized. The Academy has become an important factor in activities and social life of Wittenberg College.

The courses in the school are well worked out, being as practical as is feasible.

CLASS HISTORY

One of the most important days in the history of Wittenberg Academy was that of Sept. 15, 1918, for on that day the remarkable class of 1921 began its career. As the secretary mentally reviews the events of the past he is well nigh overwhelmed by the avalanche of mighty deeds and daring experiences.

Of course, any unsophisticated actions at this time were justifiable on the grounds that we were Freshmen. The spirit of world-war prevailed, although at the time we were not eligible for service we did our duty.

As the class passed on the threshold of its middle year it could look with confidence in the future under such able leadership and with such a wealth of talented and zealous students as never before roamed the halls of fair Wittenberg.

The class has enjoyed several delightful social functions among them the initial all-academy reception. The Seniors of 1920 were entertained by an outing at Silver Lake Park in which event we showed evidence of our superior athletic ability.

The play "Nothing But the Truth" was beyond any doubt whatsoever, the best ever staged by an amateur cast in the history of the Academy. Most certainly it was a huge success, especially from a dramatic viewpoint.

It is not our purpose to be self-exalting but in looking forward we challenge our successors to uphold the high standards set in the enviable record of the class of W. A. 1921.

Hamma Divinity School

FACULTY

DR. DAVID HENRY BAUSLIN, A. M., D. D.
DEAN

DR. V. G. A. TRESSLER, A. M., D. D., PH. D.

DR L. H. LARIMER, A. M., D. D.

DR. L. S. KEYSER, A. M., D. D.

DR. J. L. NEVE, D. D.

When Wittenberg College was instituted, it was with the idea of training young men for a greater and better life-work. Primarily, however, its aim was to educate young men for the Ministry. Consequently, the college contained the theological and the academic bodies; thereby utilizing the same faculty.

In 1877 the Divinity School became a separate institution, with its own faculty and buildings. Its graduates are to be found in every state in the Union, and in the mission fields of the world. The steady growth of Lutheranism in the Central States and to a lesser degree in other more remote sections, is a tribute to the efficiency, and efficacy of both the Hamma Divinity School and its faculty.

Hamma Divinity School has become synonomous with the highest ideals of Christianity. A sure gospel has been its preachment and the thousands upon thousands of men and women who have found the "Living Waters" are memorials which express far better than words, the adequacy and self-sufficiency of its preachment, for all the needs of the human soul.

Hamma Divinity School points with pride to the beautiful, new recitation building, which bears the name of its beloved donor, the late Dr. Hamma. Kellar Hall, named after the late Dr. Ezra Kellar, is a beautiful modern building, which is the home of the Divinity students. A refectory is planned for the near future which shall contain rest rooms, guest rooms. dining hall, and a social room where students may meet their friends and hold social gatherings. The ground has already been purchased.

During the past year, the Seminary held numerous social events. The chief social function was the banqueting of the prospective ministerial students of the college at the Fourth Lutheran Church Social Parlors. Not only was the social spirit cultivated, but also the athletic spirit.

Senior Class Seminary

SUMMER SCHOOL

THE WORK OF THE WITTENBERG SUMMER SCHOOL is divided into three sections. The first section begins on May 12th and ends on May 30th. This section is especially arranged to accommodate the High School pupils and teachers whose school terms end early in the year. The second section begins on May 31st and continues until June 18th. This section is arranged for all students whose school terms end later in the Spring.

During each of these sections of three weeks the students recite daily in each subject, and complete six weeks of work in each subject, as is required by the State Department of Public Instruction as the minimum amount of work in a subject-unit.

The work of each section is selected to meet the requirements of all students enrolled.

The tuition for each section is six dollars.

The third section of six weeks begins on June 21st and ends July 30th.

The tuition for this term is twelve dollars.

This section of the Summer School aims to meet the needs of all students who desire to pursue studies which will advance them in their academy, college, or professional work. The work of these three departments receive special attention, and arrangements are made to provide conditions most favorable for both instructor and student.

All of the regular college courses are offered by the regular College faculty or those who are especially trained in their subjects, and the work done is of a high grade.

A large number of professional courses are offered, and the courses are so varied that the subjects offered, meet the requirements of the State department for temporary, provisional and permanent certicates.

All high school pupils, or other persons who desire to meet the professional requirements for permission to take the county examinations for a teaching certificate can secure at Wittenberg all the professional training required.

A number of special courses are offered in Domestic Science including Elementary Cookery, Textiles, Sewing, and House Decoration and Sanitation.

Courses are offered in Public School Music, including rudiments of music, the care and training of the child's voice, the Rote Song, primary methods and devices, etc.

Courses are offered in Manual Training adopted to Elementary and high school work, which prepares instructors to teach these subjects.

Courses in Art are offered for those who desire to teach all of the art work required in the elementary school.

Courses are also offered for advanced students in composition and Still Life, Metalry, Jewelry and Mechanical Drawing.

Numerous courses are offered in vocal and instrumental music as well as courses in all other essential subjects of music. All of these special courses are taught by those who have specialized in their subjects. A school of Observation and Practice is maintained for those who desire to observe and teach in the grades, or in a one-room rural school. This school is supervised by an experienced supervisor.

All of the work done in each section of Summer School is recognized by the State Department of Public Instruction and is credited for temporary, provisional, or permanent certificates.

The director is Prof. T. B. Birch, Ph.D.

WITTENBERG SATURDAY SCHOOL

Professor J. A. NESS, Ph. D., Director

This school was organized in 1905 for such teachers of Springfield and vicinity as wished to enjoy the advantages offered by the college. Since that time it has steadily grown, and we have now an enrollment of 99 students. Courses have been added from time to time to satisfy the increasing demand of students engaged in the work, so that it is possible for Saturday students to take up studies representing every class of the four college years and every department of the curriculum. The courses of study in the Saturday school are planned to supplement those of the Summer session so that students registered in the one may continue work in the other. Teachers are thus enabled to complete their entire curriculum for the A. B. degree, or as many courses or years, as they wish.

The advantages of this system, with its opportunities for contact with the college professors, over any correspondence system will be readily apparent to every teacher. The school is conducted by the regular College Faculty. Wittenberg College offers every resource of classroom, laboratory and library to the teacher ambitious to advance in one favorite subject, or in all subjects that make up the usual college course.

The Saturday School is especially anxious to help the teachers of Springfield and vicinity to meet the requirements of the new school laws. With this end in view the Educational Department does, and will offer such courses as will enable any teacher desiring to advance, to receive the necessary credits or pass the required examinations.

Upon demand, courses leading to the A. M. degree will be offered.

The director in charge is Dr. J. A. Ness, 835 Woodlawn Ave., Springfield, Ohio.

COMMITTEE CHAIRMEN

Claire Hayner, Devotional; Erwin Spees, Bible; Howard Pospesal, Missionary; Frank Taafel, Finance; Stephen Rohlfing, Social Service; Edward Vorhees, Social; George Goldner, Employment.

The Y. M. C. A. is the one Christian organization of the College in which all of the men may take an active interest. This year the aim has been, primarily, to develop and strengthen the spiritual side of life, which is a necessary pre-requisite of a well-developed, or, complete man—no matter what his vocation in life may be.

The devotional meetings were helpful as well as inspirational.

The attendance was not up to par at the beginning of the year, but during the second semester when the meetings were held every two weeks instead of every week, the interest and attendance increased.

Two joint meetings with the Y. W. C. A. were held during the year, which helped to stimulate the year's work.

In the Fall the Y. W. and Y. M. C. A conducted a week of special chapel services. An interesting program was carried out which was enjoyed by the entire student body.

Through the efforts of Erwin Spees, daily prayer-circles were held during the Lenten Season and continued through the Semester. These prayer groups were a source of strength and joy to all who participated.

Mr. S. Rohlfing, Chairman of the Social Service Committee, has done some splendid work in the community, by bringing good cheer in some homes at the Christmas Season through the distribution of gifts. He also had charge of the Americanization Classes at the Settlement House. Such service counts, for it deals directly with one of the social problems facing our country today.

Under the supervision of H. Pospesel, a Mission Study Class was organized and taught by Dr. V. G. A. Tressler.

Nor was the social life of the Y. M. C. A. neglected entirely, for an occasional "stag" added life to the organization.

All told, some splendid results have been achieved this year; and it is hoped that still greater things are in store for the Y. M. C. A. during the coming year, when this organization will meet her obligations in the "Greater Wittenberg."

Officers elected for the following year are: J. Wilbur Dorst, President; Erwin Spees, Vice President; Bartlett Stacey, Treasurer; Stanley Bond, Secretary; Edward Voorhees, Corresponding Secretary; Homer Ogle, Librarian.

ALTA MILLER	Treasurer

COMMITTEE CHAIRMEN

Lois Gilger, Social Service; Grace Martin, Devotional; Beatrice Nicholson, Missionary; Mary Barrett, Membership; Alta Miller, Finance; Margaret Rhoderick, Publicity; Rachel Markley, Social; Agnes Gringle, Summer Conference; Miriam Hadley, Bible; Hope Dysinger, Music.

The Wittenberg Y. W. C. A. has been an active organization this year in every way. Each girl has not only been a member but a worker placing her talent wherever they have been needed. With an efficient and enthusiastic cabinet to lead them, this group of girls has constituted one of the leading organizations on the campus.

The weekly meetings have been well attended. Many of them have been conducted by the girls themselves, while interesting speakers from the outside have brought their own special messages to the girls. A membership contest held during the six weeks of Lent met an enthusiastic response.

The social committee has done much in bringing the girls together and affording a means of becoming acquainted. Several very successful parties were held during the first week of school, while the General Jam conducted by the Y. M. and Y. W. was one of the largest ever held. There have been social meetings held from time to time throughout the year.

Agnes Gringle and Amba Armbruster represented Wittenberg at the Eaglesmere Summer Conference. They came back with inspiring and enthusiastic reports, which should be an inducement to many girls this coming year to go to Eaglesmere. Money has been raised for the Eaglesmere fund by means of sandwich and candy sales and the May morning breakfast, which is always a very delightful occasion. Each girl has also earned a dollar to be turned over to this fund.

Each committee has done its work well, which accounts for the progress the Y. W. has made during the year. Offerings were taken in chapel on Thanksgiving and Christmas and the money turned over to the Social Service Committee. Baskets were sent to the poor and a Christmas party was held for Osterlin Home children. Throughout the year girls have been teaching Americanization classes at the Settlement House.

We feel the organization has made great strides this year and the outlook for the coming year is encouraging. The association is worthy of every college girl's efforts and it is hoped that the Blue Triangle may ever be in evidence on our campus.

THE TORCH

The Torch has just completed what may now be termed another most successful year since its organization. Due to the efficient work of the management of the paper, under the careful supervision of the faculty representative, Dr. Weaver, it was possible to increase the number of issues from twenty-five to thirty. Besides the increase in the number of issues the cost of publishing the Torch has increased more than sixty-seven percent. Last year it cost about forty-two dollars an issue for the Torch. This year the cost of each issue has been more than seventy dollars. This year the total cost increased to more than twenty-one hundred dollars. This increase cost of publishing has been met partly by proficient work of the advertising manager in securing advertising. The circulation of the paper has been greatly increased. The number of copies going to the students has increased about fifty while the foreign circulation increased from seventeen to one hundred and fifty.

The circulation of the paper was well handled by the two managers this year.

Literary

Philosophian Literary Society

PHILOSOPHIAN LITERARY SOCIETY

Due to the graduation in 1920 of some of her most active members, the Philosophian Literary Society found herself somewhat handicapped; but others soon filled their places and a most profitable year has been enjoyed.

Philo captured all the places in both the Oratorical and Declamation Inter-society contests. She won the debate and took two places. As a result of these victories she will add one more shield to the long row of those already hanging in her hall. At the present time two of her men have won literary "W" 's this year. There is a possibility of others winning this distinction after the result of the Essay Contest has been announced.

It is the purpose of Philo to develop men along intellectual lines with special reference to writing and public speaking of all kinds. Its aim is to help its members both to think and talk on their feet at the same time.

The social side of the student, also, is not neglected. Mock trials and humorous debates are given from time to time. A party is generally held at the end of the school year, when the members of the rival societies, forgetting their antagonism, get together for a social gathering.

For the first time since the war, intercollegiate debating has been resumed at Wittenberg. An affirmative and a negative team have been chosen from the two societies and we feel sure that they will make a creditable showing against the other colleges. With the abundance of fine material that exists among the younger men, good teams are assured for several years.

Interest in literary activities is increasing and we hope that many will grasp the splendid opportunity for benefiting themselves in a literary way next year.

C. P. S

EXCELSIOR LITERARY SOCIETY

EXCELSIOR LITERARY SOCIETY

Excelsior Literary Society, Wittenberg's first literary organization, was founded November 20, 1845, in the First Lutheran Church of Springfield. It was on June 26, the following year, that some of its members withdrew and formed what is now known as the Philosophian Literary Society. The formation of this new society caused a greatly increased interest along literary lines at Wittenberg.

For nearly forty years Excelsior met in the old Dorm, but in the early eighties the meeting place was changed to its present location in recitation hall.

The past year Excelsior has not been very successful, if success is to be measured by the number of places on the shield. The only important honor won was first place in debating, a department in which Excel has always had the edge on her worthy opponent.

Excel is justly proud of the manner in which her men turned out for the weekly meetings. There has been an average of over thirty men at each of the regular meetings during the recent year.

Excel has also made a strenuous effort during the past year to rid herself of all dormant members, and has at the present outlook a group of enthusiastic and interested men upon her roll. The fact that approximately ninety percent of her membership are Freshmen accounts to a large degree for some of her defeats this year.

Old Excelsior extends her best wishes to all loyal alumni and reminds them that the spirit of "Perge Modo" still prevails. Long may our battle cry be heard—

Excel! Excel!
We do excel!
Altus et altior!
Excelsior!

Senior Euterpean Literary Society

SENIOR EUTERPEAN LITERARY SOCIETY

Soon after Wittenberg was made a coeducational school, the women of the college, not to be outdone by the men, organized their first club under the name of the Euterpean Literary Society. A keen interest in this work continued until about three years ago, when during the war period, work of this kind among the girls seemed a thing of the past. Last year a re-organization was effected and two divisions made—a Junior and a Senior Society.

Senior Euterp had a number of very successful meetings last year and much real ability along literary lines was discovered. Meetings were held this year at which time topics of current interest were discussed and interesting and varied programs rendered. However, there is still much to be desired and the urgent need for literary training among the girls such as would be afforded by an active and enthusiastic Euterp is being felt.

Members eligible to the Senior Euterpean Society are all Junior and Senior girls who have an average of at least 87%. Officers chosen for this year are: President, Agnes Gringle; Vice-President, Evelyn Yerian; Secretary, Olive Shafer; Treasurer, Ruth Fitz; Chaplain, Grace Martin; Torch Reporter, Ruth Barr. These officers with Mary Hoffman, Mary Barrett and Alta Miller complete the Executive Committee.

The Euterpean prospects are bright and within a year we expect to have every Junior and Senior girl a member of Senior Euterp, with such keen interest and active participation in literary work that the men's societies on the campus will find in us a real rival in competing for literary honors.

JUNIOR EUTERPEAN LITERARY SOCIETY

During the first semester of this year there was quite an interest taken in the meetings of Junior Euterpea. Special programs were rendered on such occasions as Thanksgiving and Christmas, after which refreshments were served and a social time enjoyed.

Junior Euterpea is composed of Sophomore and Freshmen girls having a class standing of 85% or more. Interest is growing rapidly and we hope that within the next year every Sophomore and Freshman girl will become members, and when this is done, our literary ability and work will bring us more honors.

The officers this year were: Hope Dysinger, President; Leona Bigbee, Vice-President.

Junior Euterpean Literary Society

Dramatics

THE SENIOR CLASS PLAY

"A FULL HOUSE"

The Senior Class of the College presented the play, "A Full House," at the Fairbanks Theatre on the night of May 6. It was of a light vein, and was well received by the audience.

The play is a comedy full of sparkling humor. A young man, Ned Pembroke, was much in love with a society girl, Daphne. Before he could propose to her, it was necessary that some love letters, which he had written to a chorus girl, Vera Vernon, be in his possession. George Howell, a lawyer, was engaged to secure the letters from Vera Vernon, and succeeded, but on his trip from Boston to Yonkers his grip and a thief's grip were exchanged accidentally in a wreck.

A robbery of some precious jewels was reported. Mrs. Howell discovered that they were in her husband's grip. Thru a blunder on the maid's part the police are called. Before the police sergeant and two policemen arrived at the apartment all the characters gather at the Howell apartment. The police arrived and permitted nobody to leave the house. In this manner they have a full house, which caused much distraction.

The members of the cast were: Miss Martha Kerr, Mr. Wilbur Etter, Miss Leila Culberson, Mr. Kenneth Rush, Mr. Kenneth McQuaig, Mr. Clifford Shawd, Miss Elizabeth Neve, Miss Hilda Hathaway, Miss Alice Hersh, Miss Mary Lohrman, Miss Eva Cory, Mr. Paul Bertschy, Mr. William Trautwein and Mr. Ernest Alexander.

THE JUNIOR CLASS PLAY

"HER GLOVES"

The Junior Class presented the three-act comedy "Her Gloves" as its class play this year. The play is full of involved situations brot about by the clever subterfuges of a pair of prevaricators. The plot revolves about the clearing up of these entanglements.

Walter Dillingham and his father-in-law have just returned from a fishing trip, and a pair of lady's white gloves are found on board their yacht by a friend of the family, Bob Slocum. After quite a bit of wrangling between the two men and their wives, they say the gloves belong to the wife of one of their neighbors, a Mr. Brooks, whom they have been showing about the yacht. The women will not be satisfied until they have seen Mrs. Brooks. Bob Slocum dresses up as Mrs. Brooks and calls. The real Mrs. Brooks arrives and also the owner of the gloves—an actress. The clearing of the situation makes it a very clever comedy.

The cast was coached by Mr. Ladru M. Layton, of Springfield.

Presenting such a program as they did, this year's Clee Club reached the heights established by former organizations. The Club is smaller in numbers than previous years but makes up for this deficiency in volume and "pep."

An entirely new program was presented by the Club this year, which included piano, violin, saxophone and mandolin solos.

The ten day trip reached the following cities: Zanesville, Wheeling, W. Va. (two nights), Dover, Canton, Cleveland, Ashland, Bucyrus and Lima. A special program was given by the Club at Dayton on April 28th under the auspices of the Shriners. The home concert was given at the High School Auditorium, the 12th of May.

Girls' Glee Club

THE GIRLS' GLEE CLUB

The Girls' Glee Club, organized in 1918, has just completed its most successful year. Altho still in its infancy as an organization, it has the distinction of having attained very favorable results.

Tryouts were held early in the fall and from a large number of girls in the student body, eighteen were chosen to make up the club. The club has been very fortunate this last year to secure as a director, Mr. Humberger. The success of the club should be credited to him and the faithfulness of the members in rehearsals, along with the exceptional individual talent.

The concert was held in the High School Auditorium in May and was a decided success. Much praise was given the club by the audience. The program consisted of classical and popular numbers, interspersed by vocal and cello solos, readings and a very pleasing little skit.

WITTENBERGER PAGEANT, NOVEMBER 24, 1920

PRINCIPALS IN INAUGURATION PAGEANT

More than 160 students and professors of Wittenberg college took part in the pageant at Memorial Hall on November 24, marking the formal opening of the festivities which culminated with the inauguration of Dr. Rees Edgar Tulloss as president of the college on November 26.

The pageant was beautifully presented and was a tribute to the work and care with which its managers sought to present a historical conception of the history of the college from its foundation until the present time. Every important event in the history of the college was portrayed together with every character whose activities left a lasting impression on college affairs.

The score of the pageant was the work of Miss Georgia Harter MacPherson, a member of the class of 1921, and was written entirely in rhyme. The text gave a general idea not only of the history of the college but of the character of the men who helped to make that history. The stage effects were for the most part, presented in tabloid form, the lines being read by Lawrence Snyder, who impersonated "Memory."

Lawrence Knisley acted as accompanist in those parts of the score where music was necessary.

PROGRAM

PART I

Introductory Speeches by Alma Mater and Youth. At command of Alma Mater, Memory calls up pictures of Wittenberg's past.

Dr. Keller's Call to Service in the West.

Dr. Keller's Arrival in Springfield.

President Keller, the Man of Vision, with Theology, Learning and Sacrifice.

President Sprecher with Theology, Teaching and Sacrifice.
Advent of Co-Education 1874.

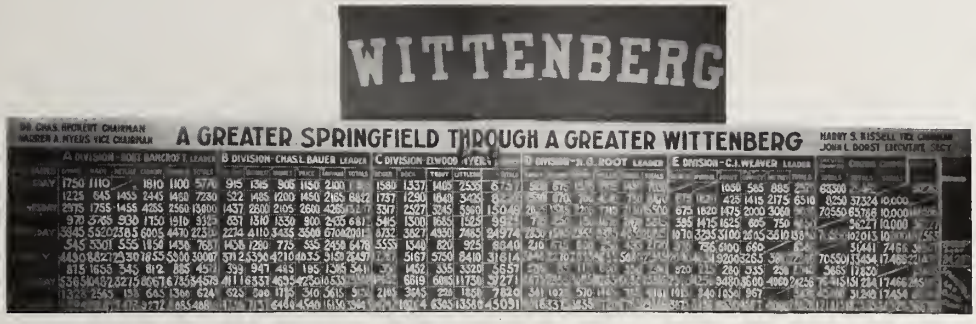
THE WITTENBERG APPEAL

FOR $1,500,000



THE SPRINGFIELD CHART FOR LOCAL CAMPAIGN REPORTS

THE SPRINGFIELD COMMITTEE FOR THE LOCAL CAMPAIGN

Springfield's Quota	$250,000
Springfield's Total	$316,000

THE GREATER WITTENBERG APPEAL

Few financial campaigns in the educational world have been carried forward so systematically, and few have met with such remarkable success, as has been the case with the Greater Wittenberg Appeal.

From beginning to finish the Appeal was characterized by probably the most complete and systematic organization, the most hearty co-operation, the most widespread publicity, ever secured in the interest of an educational institution in our land. And the results speak for themselves as undoubtedly among the most gratifying ever realized in college appeals for assistance.

After many months of consideration and planning on the part of the college officials, the general plans for the great campaign began to assume definite shape during July, 1920. And, no sooner were the plans drawn, than preparations were made for carrying them out. The goal, the money required to meet the **minimum** needs of the college, was set at $1,500,000. The month of September found the organization perfected, the plans completed, and everything ready for the drive for the college, for the sake of "Church, Home and Country."

In the beginning, the Appeal Organization was divided into three departments—Alumni, Church, and Clark County—each with a distinct line of action. It was planned to carry the Appeal to every alumnus and former student of Wittenberg, into every Lutheran Congregation in Wittenberg territory, and to the general citizenship of Springfield and Clark County.

The Hon. John L. Zimmerman, Treasurer of Wittenberg College, was the General Chairman. The late Dr. Chas. G. Heckert, President Emeritus, was Chairman of the Clark County Department. President Rees E. Tulloss was Chairman of the combined Alumni and Church Departments. As the campaign developed, Dr. H. C. Roehner of Mansfield was appointed as special Chairman of the Appeal to the Churches, and the Hon. Raymond W. McKinney was made Chairman of the Alumni Organization. The general planning for the entire campaign, and the executive direction throughout, were in the hands of President Tulloss.

Many weeks before the actual drive was scheduled to start, the Publicity and Literature Department was in operation under the direction of Dr. O. H. Pannkoke, secretary of the Lutheran Bureau, New York City. He was assisted by R. N. McMichael, Wittenberg '20. The newspapers in Wittenberg territory were deluged with "copy" and "boilerplate" stories about Wittenberg. Literature filled with information about Wittenberg was spread broadcast throughout the entire church territory. And out among the Alumni and former students of the college went the striking "Fifty-A-Year" booklets.

In order to arouse the Lutheran people to the needs of Wittenberg and to interest them in the Appeal, a party consisting of President Tulloss, other college officials, Appeal Chairmen, and the Appeal Glee Club made their famous "swing around the circle" holding meetings in each Church District.

For many weeks, a committee of Faculty members, pastors, and Lutheran business men from Springfield and elsewhere, under the Chairmanship of Dr. V. G. A. Tressler, visited many persons throughout the territory, soliciting larger gifts.

The Appeal had been planned to begin at a most auspicious time. Early in November the four Lutheran synods of Ohio met in Springfield and were merged into the new Synod of Ohio. The concluding event of the week was the formal inauguration of Dr. Rees Edgar Tulloss as seventh President of Wittenberg. In connection with these events came the Wittenberg banquet to the visiting pastors and lay delegates, and the wonderful historic pageant written by Miss Georgia MacPherson and presented by the students of the college.

Through publicity, literature, addresses, sermons, and the historic events in connection with the merger and inauguration, everything was made ready for the actual start of the campaign, and on November 14th, exactly as scheduled, the Greater Wittenberg Appeal began among the Alumni, throughout the Church and in Clark County.

The Springfield and Clark County Campaign was carried on by twenty-five teams each composed of ten Springfield citizens who had offered their services to the Appeal. Mr. C. H. Dreshmann of New York City was actively in charge of the Springfield and Clark County Campaign. Mr. John L. Dorst, released from his Y. M. C. A. duties for a time by his Board of Directors, rendered valuable assistance.

The teams met each noon at the Shawnee Hotel where the reports were received. The original quota for Clark County, exclusive of large gifts was $250,000. By Saturday noon the campaigners were within five thousand dollars of the goal. After a stirring address by Mr. H. S. Kissel, the goal was raised to $300,000 as a personal tribute to Dr. Heckert who had been stricken with serious illness a day or so before. On Monday evening when the final report was read the total was found to be over $316,000.

The earliest reports to be received from the Lutheran Congregations were far above their quotas. The early Alumni response was likewise gratifying. Before many days of the campaign had elapsed it was clearly indicated that the goal of $1,500,000, would be far surpassed.

Shortly after assuming the presidency of the college, Dr. Tulloss made application to the General Education Board of the Rockefeller Foundation for financial aid. The detailed report of the college, financial and otherwise, which was very highly complimented by the Board, was prepared by Dr. Edwin O. Weaver. It resulted in Wittenberg receiving an award of $233,333.00 from the Rockefeller Foundation, on the condition that the college raise enough to increase the amount to $700,000, the income to be used for increasing professor's salaries.

According to the latest available reports of the campaign, the Greater Wittenberg Appeal has gone over the goal line for a total of gifts and sub-

scriptions amounting to $1,581,200.00. Of this total amount $780,714.00 came from Springfield and Clark County. This includes the response of Clark County citizens in general, all sums from local Lutheran churches, the alumni and former students of Wittenberg, the present student body, and the large local gifts. $800,486.00 came from the members of Lutheran congregations in Wittenberg territory, from Wittenberg alumni and former students scattered throughout the land and from the Rockefeller Foundation.

Further work among the alumni, and in churches which have not yet responded is now going forward.

The larger gifts received by the college during the Appeal are:

A Gymnasium and Institute building to be built by Mr. and Mrs. C. F. McGilvary, of Springfield.

Two hundred and thirty-three thousand, three hundred and thirty-three dollars given by the General Education Board of the Rockefeller Foundation, on condition that Wittenberg increase the amount to $700,000.00. About $120,000 in addition to the Appeal results, will have to be raised.

Fifty thousand to endow a professorship of Sunday School work and Religious Education given by Mr. and Mrs. William H. Schaus, of Springfield.

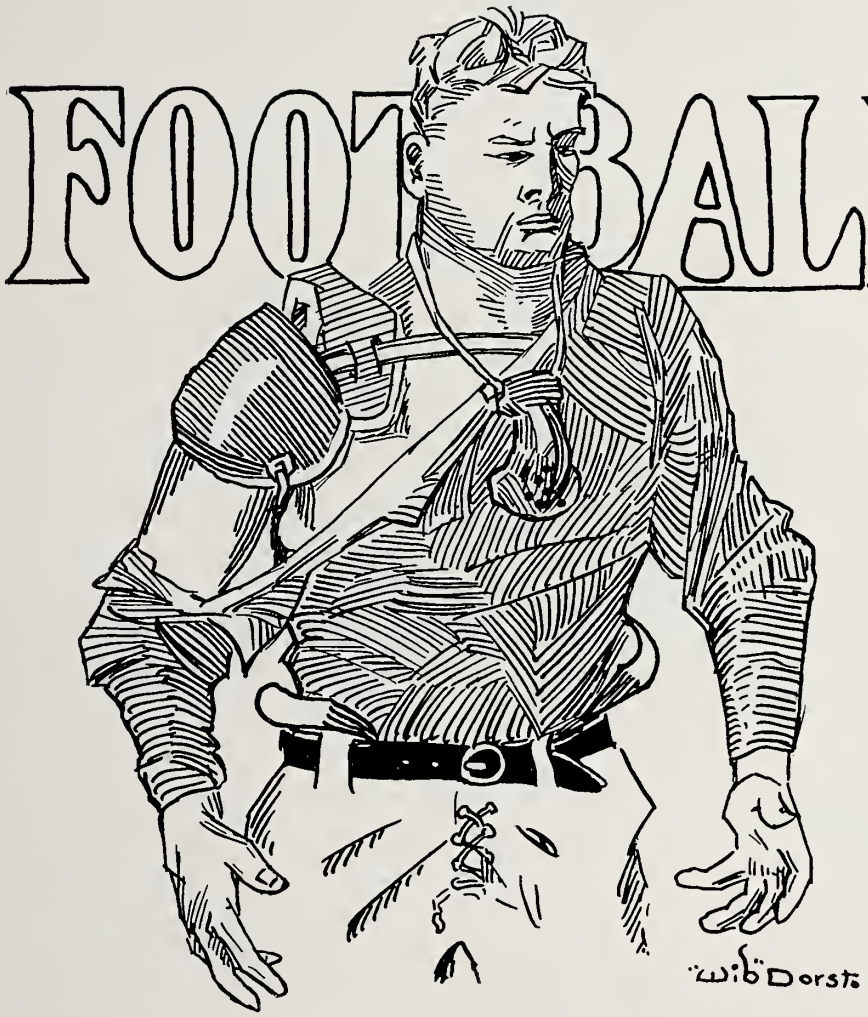
An addition to the Zimmerman Library to cost not less than $25,000, to be built by Hon. John L. Zimmerman and Family.

An academy building to be built by a business man of Northern Ohio whose name remains un-announced.

A farm valued at $25,000 given by Mr. and Mrs. George W. Pitney of Leipsic, Ohio.

Twenty-five thousand dollars to endow ministerial scholarships, given by a Lutheran business man of To'edo whose name is not published.

A substantial gift to be used to landscape and beautify the campus given by a Springfield citizen whose name remains un-announced.



FOOTBALL
Wib Dorst

Coach Ernest Godfrey—"King"

"KING" is respected and admired by every student of Wittenberg College. Returning from the army he turned out one of the strongest court teams Wittenberg ever had. Hardly was the season over, when he started planning for this year. How hard he worked and the results are shown from Varsity's record in the two major sports. Undefeated in football, we claimed the Ohio Conference championship, and justly. Varsity were runners-up in basketball, with a wonderful record, considering the schedule. "King" is now working heart and soul on bigger and greater athletics at Wittenberg. He has outlined a proposition which is backed by the student body and which already is showing results. He has signed a contract to be with us for three more years. May he turn out a football team that will add another year to our record of "three years undefeated."

THE FOOTBALL SEASON

Butler 0; Wittenberg 21. Played at Indianapolis. Wittenberg started the season with a real championship team. The Butler game was opened in a unique manner, an aviator and former student at Butler dropping the play ball from an aeroplane to the forty-yard line. We were victorious in the game but paid dearly for our success; having Farmer, right end, crippled with a broken ankle and several more injured. Butler was not defeated again last season, winning the Indiana Conference. Touchdowns: Bertschy, 2; Burgner, 1.

Wittenberg 81; Defiance 0. Played at home. Wittenberg opened the season at home with a brilliant demonstration of speed and aggressivness that bewildered our opponents. Etter made the longest run of the season, 100 yards and 2 feet on a kick-off. "Prexy" Tulloss kicked-off to open the season. Touchdowns: Etter, 5; Bertschy, 2; Burgner, 2; Crist, 1; Gelwicks, 1.

Wittenberg 82; Hiram 7. Played at home. A sequel to the preceding game with Defiance. At no time during this game was Wittenberg stopped, and the scoring machine certainly worked fine. Touchdowns: Etter, 7; Burgner, 2; Littleton, 1; Repp, 1; Heberling, 1.

Wittenberg 17; Miami 0. Played at home. The score tells the tale. The team, eleven fighting demons handicapped by injuries but full of determination, gave their best, and emerged conquerors. A place kick by Etter, a gallop for touchdown thru the open field by Burgner, a blocked punt by Cass and a run for touchdown by Crist told Miami's finish. This Game determined that Wittenberg was truly an eleven-man team.

Cincinnati 9; Wittenberg 13. Played at Cincinnati. A nightmare never to be forgotten by those who played and those who were merely witnesses. Etter's offense in the first half can only be compared with Trautwein's defense in the second half. None of the players came out of the game without an injury, but we finished on the big end of the score. Touchdowns: Etter, 1; Burgner, 1.

Wittenberg 19; Ohio Northern 7. Played at home. Coming at a time when varsity was crippled by the loss of four regulars, Ohio Northern threw a temporary scare into the supporters of the Cardinal and Cream. Unable to run the ends, Etter bucked the line the entire length of the gridiron for three touchdowns.

Wittenberg 42; Otterbein 0. Played at home. Altho substitutes filled most of the positions, we managed to run up a score of 42 points against Otterbein's fighting team. Every man called upon played a fine game.

Wittenberg 7; Denison 0. Played at home. The score does not adequately tell the story. Varsity outfought, outgeneraled and outplayed Denison in every department of the game. The Cardinal and Cream stopped the offense of the Big Red consistently, allowing them but one first down. While on the other hand, our backs ran their ends and bucked the line for twenty-one first downs. Before a crowd of 5,000 spectators, Captain Etter brought the game to a spectacular close by a split-buck thru Trautwein for the only touchdown.

The Backfield

The Line

"Prexy" Tulloss Opens Home Season.
Wolfe, Miami Runs Left End.

CAPTAIN WILBUR ETTER

"Wib"

The best football player in Ohio Conference. Could do anything in football and do it well. A fighter all the time, a good leader on the field, he deserves all honors. The best half-back Wittenberg has ever had. All-Ohio 1st team 1918-19-20; captain All-Ohio '19-'20. Senior.

WILLIAM TRAUTWEIN

"Dutch"

The greatest tackle Wittenberg ever had and probably ever will have. A real man loved by all for his fight, coolness, alertness, aggressiveness and above all for his true sportsmanlike conduct. All-Ohio first team tackle 1919-'20. Senior.

WILLIAM LANG

"Bill"

The hardest hitting guard in Ohio. Bill was a fighting demon all the time and one never could tell where he was going to hit next. Outplayed all opponents and respected by all. All-Ohio first team guard 1920. Senior.

WILLIAM HALL

"Babe"

We like to hear Babe hit them on punts. An all-round end and a fighter. We won't say any more, but he is captain-elect for next year and that speaks for itself. All-Ohio second team end two years. Junior.

ROBERT STANBARGER

"Bob."

The center formidable. He outplayed all of them. His passes were accurate and dependable. His tackles were fierce and his charge aggressive. The nucleus of the "sneak famous." Honorable mention All-Ohio 1920. Junior.

RALPH CASS

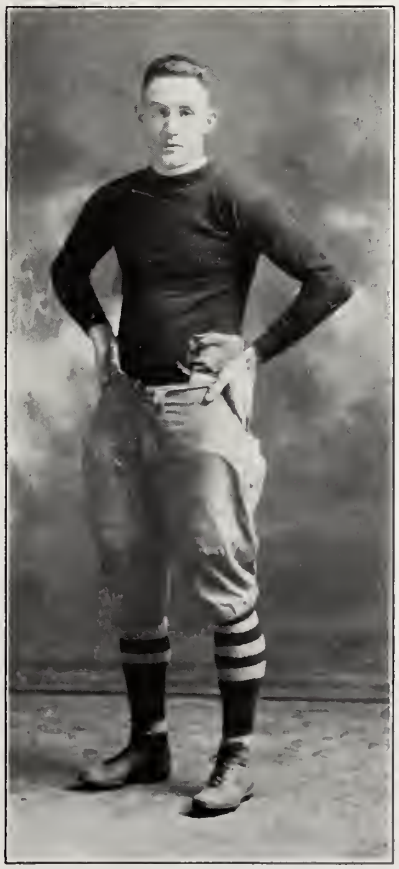
"Jack"

The quiet left tackle that our consistent player. A quiet fighter. We lose him after three years at left tackle in order to enter his profession. Honorable mention All-Ohio 1920. Junior.

EARL BURGNER

"Puss"

The pivot man. This fighting galloper knows football from all angles and outgeneraled all his opponents. A great ground-gainer, a master of roll-blocking and interference and a peppy leader. Honorable mention All-Ohio 1920. Junior.



HERBERT LITTLETON

"Herby"

A great offensive fullback and a fine line backer. A line plunger when needed as well as an open field runner. "Herby" was a real fullback; dependable and reliable at all times. He leaves us this year. Honorable mention and All-Ohio second team 1920. Senior.

PAUL BERTSCHY

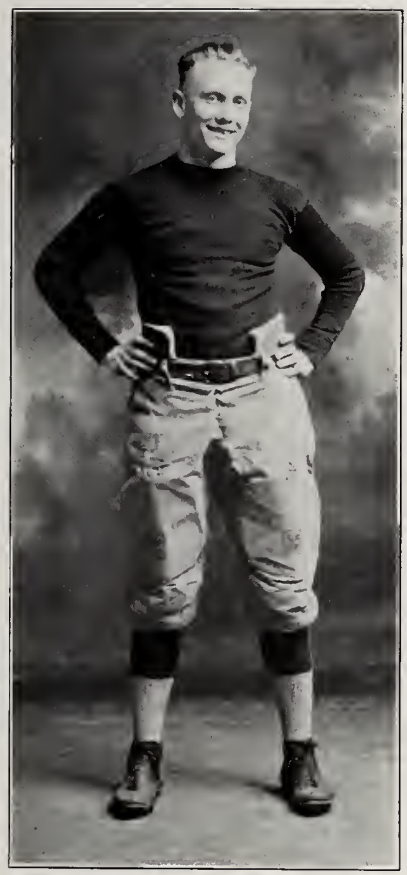
"Pat"

Even tho slowed up by injuries, "Pat" certainly displayed his determination and ability to score. He leaves us this year and we will miss "Pat's" steadiness in future games. Senior.

FRANCIS REPP

"Bunny"

The snappy left guard who shone at any position he played. A versatile player and good anywhere. Light for a guard, but his science made up for it. Honorable mention All-Ohio 1920. Sophomore.



JOHN HUMMON

"Mack"

A new man but a real comer. He is speedy, rangy and has the making of a real end. Developed rapidly and should shine next year. Sophomore.

JOHN HEBERLING

"Hep"

A new backfield man at Wittenberg but old in experience, nevertheless. A good field runner and a fine running mate for Etter at halfback. Displayed speed. His first year on varsity and we expect great things from "Hep." Honorable mention All-Ohio 1920. Sophomore.

CHARLES CRIST

"Pinkie"

The lightest man on the team and a good substitute at any position. A good tackler and open field runner as well. Starred against Miami. Two years service and well done. Senior.

RAYMOND DETRICK

"Deet"

On account of his previous experience he helped out in case of injury. Saved for basketball by the "King," but always ready when called upon. Senior. Honorable mention All-Ohio 1919.

WILLIAM FARMER

"Rube"

Hard luck at the Butler game kept "Rube" on crutches the remainder of the season with a broken ankle. There is no doubt that "Rube" would have sparkled on varsity had he not been injured.

CLAYTON HATHAWAY

"Bish"

A line substitute and a fine one. Too light for a regular, his fighting spirit asserted itself at all times called upon. Junior.

This year we were fortunate in having a few men to fill in and rest our varsity. These men may be heartily commended on the spirit they have shown. It takes real school spirit and pride to come out every night for three months; suffering injuries in silence, taking the brunt of scrimmage and receiving no glory or reward for their efforts. Their efforts have been minimized and their mistakes multiplied. Our hats off to these men. Success to them next year. The substitutes this year were: Stephen Rohlfing, Clarence Brown, Andrew Renz, Estelle Maurice, James Birch, Flenner Mellinger, Louis Gelwicks and Robert Heistand.

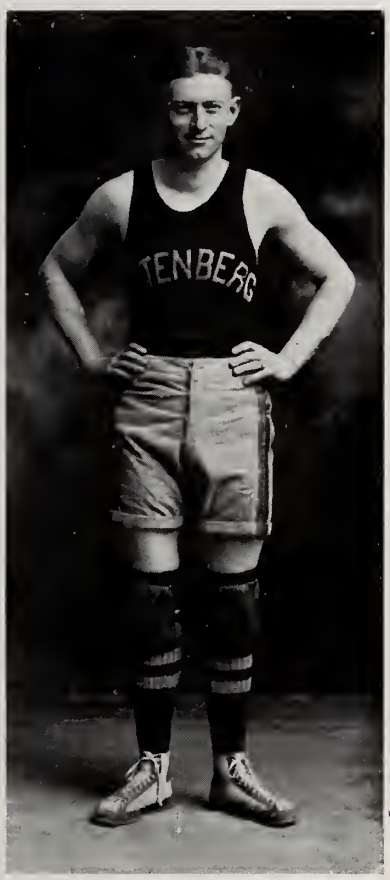
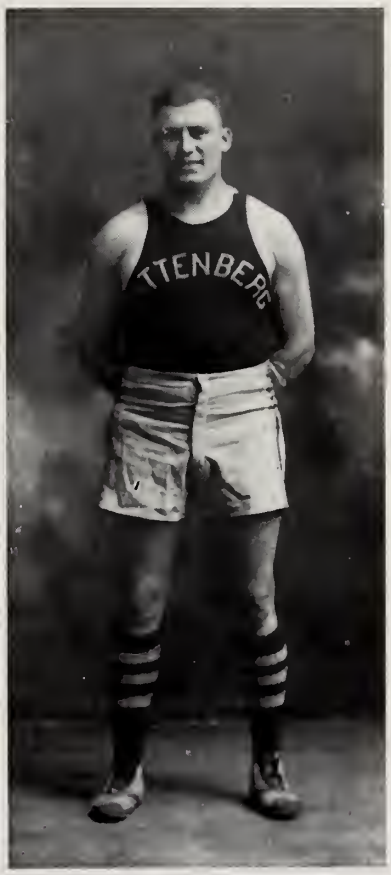
Basket Ball Team



CAPTAIN DETRICK

"Deet"

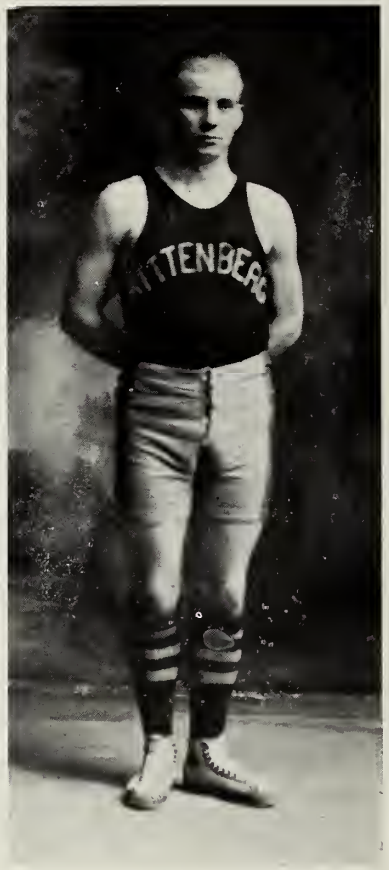
The greatest forward in the state. Clever, dead shot, sure passer, and a master of controlling the ball. A real leader as captain. 3 years on All-Ohio and Captain. Senior.



WILLIAM TROUTWEIN

"DUTCH"

Offensive center and defensive guard. The teamwork is built around him; the biggest player in the state. Weight and size with speed makes him the most respected player we have. Cool and heady, he placed All-Ohio 2 years. Senior.



WILLIAM LANG

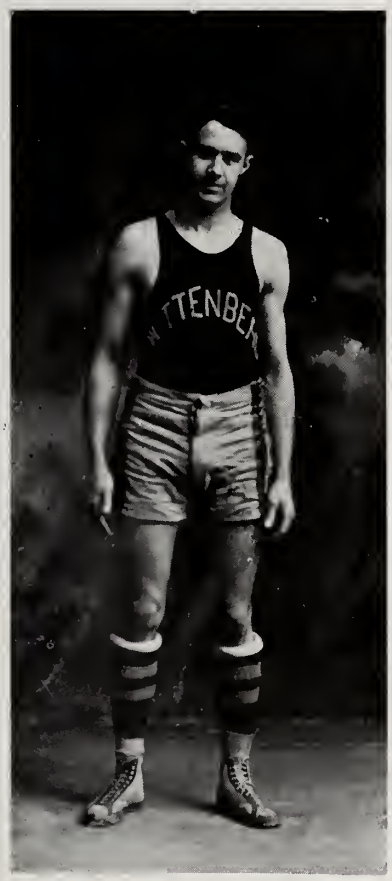
"Bill"

The most aggressive forward in Ohio. Fast and a good shot, "Bill" seems to be the right man at the right spot. Captain All-Ohio second team. Senior.

WILBER ETTER

"Wib"

Has developed more than any man on team. Speedy, consistant shot, aggressive, and a good pivot. "Wib" is the choice of many coaches for the ideal guard. All-Ohio 2nd. Senior.



GEORGE HALL

"Babe"

Torn ligaments in the knee received in the Princeton game kept him from the rest of the games. All-Ohio 2nd last year, a sure shot and a real guard. Coaches "100 per cent man." Junior.

ROBERT STANBARGER

"Bob"

What Bob lacks on shotting is made up in defence. Aggressive and cool. Bob keeps them all away from our basket. Have him next year and glad of it. Junior.

JOHN HUMMON

"Mack"

A new man bound to develop. Played guard and a bear on offensive. Lacks experience but watch him next year. A little more confidence and Mack will be good. Sophomore.

JOHN HEBERLING

"Hep"

Fast and aggressive and possesses a keen eye for baskets. Was handicapped by eastern dribbling system but overcame it rapidly. We expect great things of him. Sophomore.

WALLACE HORN

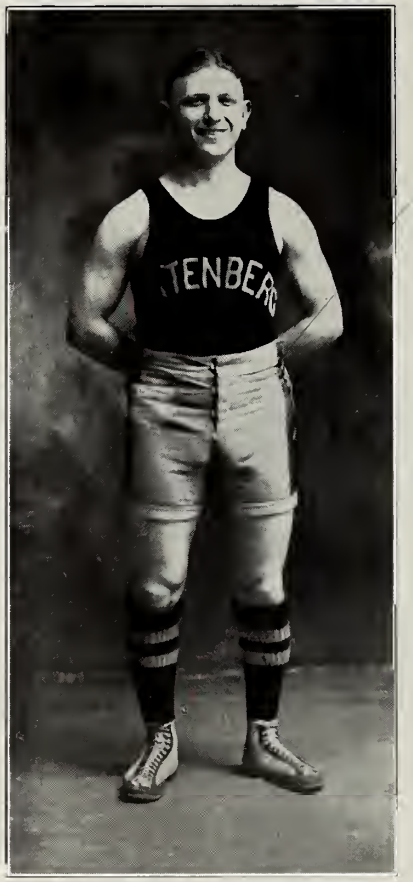
"Shorty"

Horn is the big man on the second team. He gets the jump on them all without lifting his feet. An accurate shot, he has the advantage of size, and a promising man for Trautwein's position. Sophomore.

FRANCIS REPP

"Bunny"

Possesses great possibilities but has not had much chance to show them. Plays with great ease but accomplishes all tasks of a good guard. Two years before him. Sophomore.



EARL BURGNER

"Puss"

Our diminutive dribbler whose appearance on the floor always brought forth a great ovation. Speed and fight made up for size. His clean slate broken by one basket. Junior.

WALDO NELSON

"Bill"

Manager

A manager who came up to Godfrey's expectations.

"Johnny" Kuhns

Don Switzer

PAN-HELLENIC COUNCIL

The Pan-Hellenic Council was reorganized this year, each group being represented by two men.

The system was kept up whereby Pan-Hellenic dinners are held each Wednesday evening, the different chapters acting as hosts in consecutive alphabetical order.

Tho the council has not done many things apparent to the outside observer, yet things that are of moment to the Greeks and to the college at large have been accomplished. They were responsible (?) for the Pan-Hellenic dance.

Alpha Tau Omega—George Gelsanliter, James Miller.

Beta Theta Pi—Wilbur Dorst, Louis Gelwicks.

Phi Kappa Psi—Kenneth McQuaig, Byron Davis.

Phi Gamma Delta—Paul Bertschy, Elmer Kneisley.

PAN-HELLENIC COUNCIL

For several years after the entrance of sororities into Wittenberg there was no inter-sorority organization by means of which the groups could come into closer touch with each other and could promote a good spirit. The need of such an organization could be felt especially in "rushing seasons." Through the efforts of the two National sororities, Alpha Xi Delta and Alpha Delta Pi, the Sorority Pan-Hellenic Council was formed May 21, 1915. Later the two local sororities were admitted, Tau Delta Theta in 1916 and Theta Gamma Rho in 1919.

The Council is composed of three representatives from each group meeting once each month. In order to get together all the members of all groups, a Pan-Hellenic luncheon is held each year. These luncheons have become quite a success in furthering a friendly spirit among the groups.

Before the existence of the Pan-Hellenic the feeling among the groups might be said to have been in the barbaric stage. The rushing was without any principle and had become merely a game of "snatch 'em" and "grab 'em first." This naturally was not fair to either the girls just entering school or the groups themselves. After the founding of the Pan-Hellenic Council, rushing rules were adopted which tended to prevent discord among the girls and gave each new girl a chance to make a real choice of the group which she preferred. In general an exceptionally good spirit among the groups has been maintained. However this good feeling was somewhat disturbed during rush season of last year, caused by breaking the rushing rules. This caused a great amount of ill-feeling in the council and for a short time it looked as if it were going back dangerously near to the old barbaric stage. Tau Delta Theta withdrew in November 1919. This year the Pan-Hellenic has been of little importance to the sororities.

KAPPA PHI SIGMA

Kappa Phi Sigma sorority of Wittenberg College was founded January 13, 1921. The charter members are Florence Shaffer, Lois Gilger, LaVonne Coolman, Doris Wild, Mary Adams, Annabelle Bohlender and Fern Swigert.

Kappa Phi Sigma is based on high ideals of true friendship and it's aim is to help in the up-building of the bigger and better Wittenberg of the future. The organization is greatly indebted to Dr. Tulloss for his help in perfecting and making possible the group as it is now recognized.

CALENDAR 1920 - 1921

September 14. School begins. Dr. "Benny" reaps reward.
15. General jam, "beaucoup" hand-shaking.
16. Our new "Prexy" is introduced. We are all "for him."
18. Annual Freshman-Sophomore Tug-of-war. "Tubby" Pottoff and "Skinny" Switzer succeed in pulling the Sophs thru.
21. The college Y. M. C. A. opens season with bon-fire reception. Coach Godfrey speaks to the men.
23. Alpha Taus make their annual (?) visit to the Alpha Xi house.
27. Dorm initiates Freshmen into taxi service between College Hill and the business section of town.

October 1. Alpha Delts buy a new house in East Ward Street.
2. First "Pan-Hel" smoker. Frat freshmen entertain the Greeks at the Alpha Tau house.
3. Appeal Glee Club draws lucky number and leave school for a few weeks.
7. Harding and Cox clubs organize.
9. Mr. and Mrs. Stanley Kiley visit school.
10. Alpha Taus entertain for the parrot. Question (secret)—"What does Polly say?"
12. One passing 45 East Ward Street saw much of moving and some things they never expected to see.
15. Phi Psi's throw their first drop-in. Plenty of Tau Delts and good music.
21. Alpha Delts entertain "Pinkie" and "Wib."

CALENDAR 1920 - 1921—(Continued)

October
23. Wittenberg 17—Miami 0. Beta and Phi smokers plus a Phi Gam dancing party.
25. Hall girls enjoy a picnic supper.
28. "Pep" meeting for the Cincy game.
29. Alpha Xis give a Hallowe'en dance.
30. Wittenberg 13—Cincinnati 9. Horrible suspense!!!
31. Funny! But no one could sing hymns at church the next day.

November
1. "Jew" Mellinger entertains the Phi Psis with a barn dance. Oodles of hard cider and victrola music? Well, I should snicker.
2. Did someone say Harding was elected?
3. Pageant! No school!! Deep sorrow!!!
4. College hard put for workers so classes are dismissed that students may address envelopes. More sorrow (?)
5. "Prexy" Tulloss inaugurated. Ain't we got proud?
6. Wittenberg 19—Ohio Northern 7. Great news!! Gift of the McGilvray gymnasium announced.
9. Phi Gams start initiation.
11. Shell out the shekels, boys. The Annual tags are with us.
12. Winter makes its first appearance.
13. Alpha Delts have a house warming. Yes, we think it a very pretty house. Betas entertain Greeks to Smokes and Food.
15. Oh, no! We're not sleepy—Dr. "Benny" lead chapel, that's all.

THE YOUNG MAN OF VISION

The young man about to begin his little journey in the world needs to vision the future with courage and care. To achieve he must leave old habits behind—the test is best that puts him on his mettle as a man. Therefore he

SOWS THE SEEDS OF SUCCESS

by not believing that things are good and true just because he would like to have them so, but because the secret lies in *doing*. It is the test of business and of personal greatness.

The Young Man of Vision opens a Savings Account in this Strong Bank and starts at once to achieve.

SPRINGFIELD SAVINGS BANK

THE PEOPLES BANK

CALENDAR 1920 - 1921—(Continued)

November 16. Endowment fund goes over the top!! Thanx everybody!
17. Alpha Xis sling a bean party. Pardon me—I meant "mean."
18. Professor (ahem!) Taafel forms club in Academy Physics department. We heard they were to entertain the ladies.
19. Betas trip the light fantastic.
20. Phi Gam party. Yes, I'm going. Oh, no I'm not.
21. About all the girls appear in church wearing yellow crysanthemums. Wonder where they got 'em?
22. Last day of Appeal campaign. Sure did rain, but we all rushed the movies nevertheless.
24. Sandwich sale at school resulting in many being dismissed from classes. Phi Gam initiation.
25. Wittenberg 7—Denison 0. Oh! You champs!!
30. Week of Prayer.

December 2. Margery Harris lead chapel and gave a splendid prayer.
3. Gee! There goes that Pan-Hel date!*—
4. Alpha Delts have tea at Mrs. Fuller Trump's.
5. We are told that M. Barr has a "real" date with a "fake" man.
7. Dr. Heckert, President Emeritus, succumbs.
8. Students form body-guard to Dr. Heckert's remains in the funeral procession.
10. Memorial services in chapel.
13. Course at the "New Sun" begins. Awrite, Betas, fall in!!

CALENDAR 1920 - 1921—(Continued)

December	14.	Mystery—s-s-s-sh! Where were Donna and Alberta when the lights went out? Voice from cellar: "Rubbe, don't throw coal at me!!" Miss Turner burns one box of matches.
	15.	Hark ye! All those desiring a Pan-Hel date call Main 3646 and ask for Cliff. Three beers for Cliff!!
	17.	Oh, joy! We go home!
January	1.	Wittenberg 33—Princeton 10. Yeah, we play basketball, too.
	14.	Coach "Herbie's" girls begin a successful basketball season.
	29.	Pan-Hel dance: at last!!
	31.	The Phi Psi "Post-Exam Dissipation Toddle" reported as a huge success.
February	3.	Theta Gams initiate. Does Dr. Schneider believe in **rough** initiation?
	5.	Alpha Xis give a wonderful formal dance.
	7.	The "Torch" states that the Seven Years Itch makes it's appearance among fair co-eds.
	8.	Phi Psis entertain with a drop-in.
	9.	Phi Gams give a "Surprise Dance."
	10.	The "Torch" reports this week's joke as Marge Harris.
	11.	Well!! Well!! Wib and Cleo went and done it!
	12.	Wittenberg 35—Miami 8. Continued at a later date.
	13.	Senior class chooses "A Full House" for their play. We wonder why not "A Full Cellar?"
	15.	Alpha Taus entertain passers-by in the front yard; thanks to "Pests" Harter and Seith and the big sign—SMALLPOX.
	16.	Phi Gams come to aid of quarantined Alpha Taus with seven pies, the Betas bring a cake, and the Phi Psis provide smokes.
	18.	The Phi Psi frosh become strangely silent and inconspicuous.
	19.	Phi Psis hold initiation and celebrate with a banquet.
	22.	Tau Delts entertain with a Valentine's Day party.
	25.	Many are the conditions removed, but—
March	1.	Wittenberg Day.
	2.	Alpha Delts play they have a hotel for an afternoon.
	3.	Strain intense—"Kid" Baylor has cut no classes since Washington's Birthday.
	6.	W. H. overcome by the moon, throws away the key——!
	10.	Junior class decides to present "Her Gloves."
	11.	Election for the prettiest girl. Congratulations, Romaine! Felicitations, "Wib!"
	19.	Riots!! Alpha Delts give a drop-in in spite of the many dangers. "Pastor" Russell recruits a squad of cops from the Phi Psi camp.
	21.	New sorority arises, The Kappa Phi Sigmas. Congratulations and the best o' luck.
	23.	Tau Delts entertain the Varsity basketball team at dinner.
	25.	Phi Gams sling a halibut-steak dinner for the Phi Psis.
	27.	Rain! Rain! Dr. Hiller arrives at school "a la" taxi, armed with overshoes, raincoat and umbrella.
April	1.	Tau Delt formal dance at the Shawnee.
	2.	Alpha Delt formal dance at the Shawnee.

MODERN ARABIAN FRIGHTS

DANCING

By BERT SIDNEY

Modern dancing is a sport coming under the head of gymnastics. There are two kinds of dances—those you do without using your feet and unpopular dances. There are two kinds of dancers—good dancers and your girl.

It is customary for a fellow and a girl to dance together. Most girls say they would just as lief dance with girls. Most girls are liars. Girls also say that for weeks at a time they don't care to dance. Girls often don't have dates for weeks at a time. Two and two make four.

There are many rotten dancers in Springfield. Wittenberg College is located in Springfield. Wittenberg College is a co-educational institution. Three from five leaves two.

There are two kinds of dances in Springfield—college dances and those where girls pay their own way. The latter are held in public dance halls. A public dance hall is a place where a College student yearns to go the night before he has a mid-term. It's the place he goes the night before he has a mid-term. In public dance halls it's proper for a fellow to ask a strange girl to dance. There have been cases where they accepted. At public dances the girls always say it's the first time they were ever at that particular hall. Girls at college dances don't always tell the truth, either. At public dances you pay for checking your hat, but it's awfully easy to check a girl. At college dances you don't pay for checking your hat, but it's awfully hard to check a girl. Which you think is the best? So do I.

College dances may be divided in either of these two ways: Formal and informal, or expensive and more expensive. The difference is about

THE HOME OF

Hart, Schaffner & Marx

Stylish
All Wool
Clothes

Special Attention Given Wittenberg Students

W. D. Alexander & Co.

SPRINGFIELD, OHIO

$12.50 and two hours sleep. The chief item in a formal dance is the dress suit. The fellow has to have his dress suit and the girl has to have her dress suit. Worrying about the matter accounts for the two hour's loss of sleep.

College dances always have chaperons. They are usually professors and the reasons why professors write books. Marriage is expensive. Five times four is twenty.

You might think, therefore, that chaperons don't have good times. You're right; they don't.

At all college dances they have what are known as cut in or robber dances. These only come when you're with a good dancer. Therefore, they seldom come. Nine divided by three equals three.

Dances are given, of course, during hot and cold weather. If you're a poor dancer, then even in cold weather your girls will make it hot for you. Girls like to go to dances in fraternity houses during warm weather. Most fraternity houses have porches. Senator Harding believed in a front porch campaign. Most girls like fellows. Most fellows like Harding. Therefore, six times five, divided by three equals ten.

Refreshments are always served at college dances. You are offered punch and macroons. You take the punch altho you would prefer a kick. While you drink you hold the macaroons in your hand. You would prefer to hold lady fingers. But most fellows take girls home in machines. Six times six, subtracted from seven times seven, leaves thirteen.

There are two kinds of girls—those that hum music while they're dancing and popular girls.

Summing up: Dances are great things—for the taxicab companies, musicians, electric light companies, bakeries, shoe shining parlors, hair dressers, dean's reports, pawn shops and girls. The writer of this is a fellow. Two and two equal four.—OHIO STATE "SUN DIAL."

THE WITTENBERG HARDING CLUB

It was at the time when politics were in full sway when the students decided to organize into political parties. The Republican and Democratic parties held the most prominence. On the morning of October the fourteenth a meeting for all Republicans was held in the college chapel. At this time the following officers were elected: Waldo Nelson, president; Mary Lohrman, vice-president; Martha Kerr, secretary; John D. Kuhns, treasurer.

The purpose of the "Harding Club" was to educate it's members along political lines. The basis of operation was on the adoption of the platform of the Republican party.

Some interesting meetings were held and excellent speeches were made by Hon. Chase Stewart on "Our Present Campaign;" and by Mrs. William Rockel on "The Republican Platform."

It was decided to organize a debate team and the Democratic club challenged the Republican club to a debate, but it seemed as if both were "all bark and no bite."

All the meetings held were interesting as well as profitable. The meetings were adjourned on the Wednesday previous to election.

THE COX - ROOSEVELT CLUB

In the early part of the fall of 1920 when the question of politics was at its uppermost, there was organized on Oct. 4, a club known as the Cox-Roosevelt Club composed of all men and women of Wittenberg in sympathy with the Democratic party. The platform of the Democratic party was accepted as the platform of the club together with the following preamble:

1. To bring about a truer understanding of the principles and platform of the Democratic party.

2. To further the cause of the Democratic party.

3. To establish a debating team and challenge the Republican team to a debate.

A debating team was selected consisting of George Gelsanliter, James Mathews, and Estell Maurice and the question Resolved, That the electorate should endorse the Democratic platform with particular reference to the league of Nations as interpreted by Governor Cox, was issued to the Republican club and immediately accepted. This question was debated but due to the inability to secure impartial judges, it was necessary to omit judges and decision. The Club was very fortunate in securing as speakers at meetings, Mr. Sanford L. O'Harra, candidate for state senator on the Democratic ticket from this district and Judge J. L. Johnson. The officers of the club were Elmer Kneisley, President; Amba Armbruster, Secretary; John Kramer, Treasurer, and Ralph Stutz, Cheer Leader.—A. K. A.—'23.

GIRLS' TEAM LOSES CITY CHAMPIONSHIP

Wittenberg's girls' basketball team lost the Springfield city championship when they were defeated by the Y. W. C. A. Industrial girls' team last Monday night, April 4.. The score was 34-20. The game was probably the fastest girls' contest ever seen in the city, and the fight was bitter from start to finish.

Wittenberg scored first when Miss Parker caged a field goal. A moment later Miss Burden, of the Industrial team, made a free throw and followed with a field goal. For the next several minutes the Industrial team almost swamped Wittenberg, but two baskets by Miss Yockey and one by Miss Parker cut their lead. The half ended 14-10 in favor of the Industrial girls.

At the opening of the second half the Industrial girls scored at will, and it was not until the game was nearly over that Wittenberg girls were able to make a point. Then Miss Parker and Miss Yockey each caged two more baskets, and broke down the Industrial girls' lead. The final score was 34-20 in favor of the Y. W. C. A. Industrial girls.
